

Wild & Free in LBBD

It's competition time!

Show us your wild side and **connect with nature** in
Barking & Dagenham's parks throughout 2025.

We want to see how you connect with **wildlife and nature** and **enjoy the wild spaces** of Barking & Dagenham's parks. The theme for this year's #WildFreeLBBD competition is:

'Undiscovered Treasures'

Think about:

Underrated wildlife that is often overlooked because it may be:

- Missed because of seasonality/short appearance timescale or nocturnal
- Overlooked, ignored or neglected due to small size
- Very common, so considered 'boring'
- Has bad reputation or seen as a weed/pest
- Unseen or unnoticed because of camouflage making it 'invisible' or hidden in plain sight

Share your photos with us using **#WildFreeLBBD**

Winners will be announced in December and shortlisted photos will feature in the 2026 Calendar.

So, what are you waiting for? **Go Wild!**

- Share using **#WildFreeLBBD**
- Follow us on X: **@BDParkRangers**
- Email to: **Rangers@lbdd.gov.uk**
